

1st Southeast Asia Network of Ergonomics Societies Conference (SEANES 2010)

Call for Papers

Dec. 14-17, 2010 Cebu City, Philippines

Theme: Linking ergonomics and organizational strategy

Objectives of the conference

The 1st SEANES conference is a momentous event for ergonomics societies in Southeast Asia. It aims to gather researchers, academics, and practitioners from around the world to share their knowledge, ideas, expertise, and experiences in diverse areas of interest in ergonomics. It is the first time for the Philippines to host this conference and it presents an opportunity to promote and publicize the value of ergonomics and human factors as a strategy for organizational effectiveness and efficiency.

Areas of Interest:

- Human centered design
- Ergonomics risk evaluation
- Affective design
- Human errors and accidents / industrial safety
- Work-related musculoskeletal disorders
- Ergonomics in product design
